

Product Specification Sheet

Desktop USB 2.0 4-port Hub with Interchangeable Port Labels Part #: ACH54AP

Product Description:

With the increasing demand for USB connectivity, most computer users surely have experienced a shortage of USB ports. Hence, Targus has developed a unique line of Travel Hubs that combine practical functionality with ease of use.

This Desktop 4-port USB 2.0 Hub with Interchangeable Port Labels helps you avoid unplugging the wrong connection. It contains 4 high-speed USB 2.0 ports with different port label stickers. Users can interchange the labels stickers to clearly indicate the destination of each connection. Now you will never unplug the wrong device with these innovative labels. This truly plug-and-play device is perfect for those who are looking for more than just an ordinary desktop USB hub.
