

## Product Specification Sheet

### Traveler's Choice Internet Chat Stereo Headset

Part #: AEH04AP

#### Product Description:

This dual purpose headset is ideal for the laptop and desktop owner who likes to chat with family, friends and colleagues overseas and also listen to music in stereo. The headset works seamlessly with all major Internet chat services including Skype, Windows Live! Messenger and Yahoo. The detachable microphone is multidirectional and adjustable for best reception. Unlike conventional voice grade headsets, a pair of high quality drivers has also been selected for the best musical experience with both your iPod and Windows Media Player. The fold-flat design lets the business traveler to easily slide the headset into their luggage or laptop case.

#### Product Features and Specifications:

- Instant Skype connection.
- Neckband design for comfortable and extended use.
- Microphone adjusts to desired distance to capture your speech.
- Folds flat and slides easily into luggage or laptop case.
