

Product Specification Sheet

Targus Laptop Portable LapDesk

Part #: PA243B-11

Product Description:

The Targus Laptop Portable LapDesk is a clever 2-in-1 device that acts as folding tray to support your laptop or PDA keyboard whilst on your lap, desk, plane service tray or other surface. The thin design allows the LapDesk to be packed easily in a laptop case alongside the computer, while it is sturdy enough to support the heaviest of laptops. The LapDesk also comes with adjustable legs that can improve the cooling efficiency of your notebook by raising the back edge and increasing the airflow around the computer.

Product Features and Specifications:

- Folding tray can be used on your lap, on an airline, on a desk, at home or in the office; can easily be stored in laptop case.
- Weighs just 22 ounces; ideal for travel.
- Create a mobile workspace anywhere.
- Non-skid surface holds a laptop in place; can be used as a tilt stand with 5 adjustable angles.
- Ventilation channels provide airflow under laptop for cooler operation.
