

## TSB848AP | Targus 16" GRID Essential 27L Backpack

The Targus 16" Grid Essential Backpack offers high-impact protection plus stylish durability for the urban mobile professional. On any day, you might commute to work on crowded transportation, ride across town on your bike, or sprint for a meeting a few blocks away—all with your critical tech devices in tow. The Grid Essential protects your laptop, tablet, and office supplies with a sleek, high capacity design that's weather and impact resistant. Inspired by outdoor backpacking gear, it is built tough enough to meet Military Grade drop test specifications, protecting your devices even at drops of up to 4 ft. With advanced protective features like a suspended laptop vault with integrated tablet sleeve and a 360° Memory Foam shell to withstand shocks, your most important items are safe and secure. The case is designed with advanced workstation, multiple inner compartments of various size and various types of closure; with front and side pockets for flexible and maximum storage. The interior is lined with blue patterned lining where you can easily find content within. Thoughtful features like a dedicated water bottle pocket and hidden stash pocket that doubles as a lumbar support add to its functionality. The Grid™ Collection is the ultimate in laptop protection to help busy travelers move around, comfortably and confidently.

360° memory foam shell absorbs shock

Reflective accents increase visibility and safety

Weather resistant poly-coated base
